

MESSAGE FROM THE ORGANIZERS TO THE LADIES AND GENTLEMEN DRIVERS

60th edition of this mythic french championship off-road rally!

Given the enthusiasm this edition will trigger among drivers, the organizers (ASAC and ECURIE DES CIMES) care to bring to your attention the following information about submitting to the race.

Entry forms will be available on the ASAC BASCO-BEARNAIS' website from August 1st 2016 on.

- 1) Entry forms must be sent by slow mail (with sufficient posting fees) at ASAC BASCO-BEARNAIS before closing date, which is **August 24th 2016**. **See #2 here below.**

ASA nor ECURIE DES CIMES will be held responsible for any submission form not received due to postal problems.

Make sure you keep a copy of your submission form.

Forms must be complete (submitted crew and vehicule information) and with payment of the submission fee.

Any incomplete form will be stored in the waiting list

In this case, crew will be informed of that matter by the ASAC bureau (by mail or by phone). Crew will have to manage as quickly as possible the missing information in order to be moved into the provisional entry list, provided the latter not being full.

The crew remains solely responsible for the regularization period of its form (accepting the shortcomings as well as being reactive)

- 2) Entry forms are saved by arrival order at ASA, following postmark, and up to 120 crews. A provisional list will be published and updated, to be followed on the ASA and ECURIEDES CIMES' websites. No pre-booking will be taken into account, being by phone, mail or fax, by the ASA bureau.
- 3) On August 24th entries will be closed. Should the limit of 120 entries be exceeded at that time, a list of alternates will be opened, with respect to FFSA regulations. Alternate crews will be immediately informed by the ASA bureau, along with their position in that list (1st, 2nd, 3rd, etc.).
- 4) All the crews who will send their entry **before August 15th** (limited to 120 crews) will be granted 2 entries to the diner (tapas) to be held on thursday evening in Oloron (more info on www.rallyedescimes.com from june 20th).

With much care to leave the least possible crews away from this 60th edition, we ask you to very carefully follow the instructions above.

We wish you all Ladies and Gentlemen, a nice 2016 rally

The organizers.
